**Reasons for Allowance**

1. The amendment filed 3/9/09 has been entered.
  
2. An examiner's amendment to the record appears below. This was made to cancel out the withdrawn claims 86-102. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Please cancel claims 86-102

Authorization for this examiner's amendment was given in a telephone interview with Mr. Brian Steed on 5/26/09.

3. The following is an examiner's statement of reasons for allowance: The amendment filed 3/9/09 adds to the independent claims the specific details regarding annotating metadata, the metadata analyzer, the playlist generator, and monitoring the facial expressions to infer an emotional reaction as feedback to update the playlist. The specific details of these features as brought out in the amendment 3/9/09 distinguishes the independent claims (54- system, 71- method) over the prior art of record. The Examiner's amendment cancels out the withdrawn claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
